Reports of Officer(s):

President Charles Trumble:
Welcome to Lee’s Summit! I am looking forward to having a great tournament over this Labor Weekend and see everyone going home with smiles and new memories. MAAD is having the largest number of teams since 2014 as well as the first time having a men’s tournament since 2014. We are expecting six coed teams and four men teams. The park where the tournament will be hosted was recently renovated about three years ago. The playing fields are in great shape, spacious dugouts, and plenty more shades for our fans as well. The park staff have been amazing with helping arrange for this event.

The MAAD Executive Board have been busy with making changes to improve MAAD. Each position has an official email account to help keep MAAD business separate from their personal accounts. Since the 2019 MAAD Basketball tournament, we have sent over 1,500 emails to each other. The Executive Board also had two online meetings to collaborate our tasks and preparations. We are also shifting our focus from writing on papers to saving our work online. MAAD had a successful online round robin pool drawing as well. We still see more areas for improvement and will keep chipping away to improve the efficiency of MAAD.

Two other regions also hosted their softball tournament. NEAAD had six men teams and a single women’s exhibition game. SWSAD had six men teams, four women teams, and five coed teams. Also new for this year was an East Quadrant tournament where five men teams competed.

I also want to sincerely show great appreciation for our two sponsors for this tournament, Sorenson Communications and Associated Audiologists! With their contributions, MAAD is able to offer more to our participants. Please stop by their booth during the tournament weekend to see how much more they have to offer to you.

As I conclude this report, I also want to recognize the great work the Executive Board has pitched in. They are a terrific group with talent and dedication, helping to make this MAAD Softball tournament a success. MAAD holds a special place in our memories. I look forward to catching up with old friends and meeting new friends during this tournament.

Vice President – Amy Thompson
Since 2019 Basketball Delegates,

- I have updated all of motions that was passed to the MAAD Organizational Document. I have updated to the website on May 1, 2019 as promised.
- Very slow transition from maad.org to new website which is WordPress, still have not started using it. We are transferring all files, pictures, history, etc.
- Selected law committee to work with me, Lorrie Shank and Andrew Stone.
- Received new motions from OCD for Softball Delegates. Was hoping more from other clubs. These motions from OCD have more of a language adjustments, duplicates, etc.

Goal from now to next Delegates Meeting,
● Finish the website and get it active.
● Continue review organizational documents to find any more loopholes.
● Scan all old organizational documents into flash drive to eliminate 3 boxes.

**Secretary Kiley Peterson:**

Excited to be here with you all guys and whoever’s playing- good luck to everyone! Thank you for being patient with me sending out a lot of emails and such. Again please do not hesitate to give me any feedback- we all learn together! Since I joined,

- Will be collecting pictures & videos and putting it online (facebook & website) so we can have access to the old pictures & videos

**Treasurer Marti Herman:**

Welcome to 2019 MAAD Softball!! I’m looking forward to seeing all of you. I hope you all will enjoy your stay in Lee’s Summit!

- Renewed the dues for IRS form 990-N in May 2019
- Renewed the Bond Insurance for 2019-2020
- Collected 10 registration forms. There are 4 men and 6 coed teams. Three teams are from Independent teams. Considering doing the registration online? Would like to discuss how the payment will work. I’m open to any discussion if you have any ideas?!
- Revised on 2018 Softball Financial Report that was not approved in the 2019 Basketball.
- Made some changes on the budgetary guidelines for the fiscal year in the organization document. Will be discussing this in my budget committee report.

Good luck to all teams and have fun!!!

**Board-at-Large Mack Weyers:**

Hello everybody! Welcome to 2019 MAAD Softball Tournament on the Labor weekend. Summer has flown by so fast and unexpected! It’s my second year as Board at Large for MAAD and I am enjoying it also I’m still learning and cherish whatever I have learned! Simple and sweet!

- Our communication has improved as us working with different plans and it has been successful. We are good at replying each other through emails and will for sure find time to communicate with each other. Since basketball tournament in March, we had three zoom meetings which is really good. I want to keep that up!
- We all are following our guidelines of the duties that we are supposed to get done and that is a
huge improvement!
- The bylaws is still cleaning up and fixing but we are constantly working on that. For the future, we will be doing better especially with the bylaws!
- Play well and have fun!
- What is most important for the day tomorrow?

**Tournament Director Greg Petersen:**
I’m elated to see MAAD Softball making a return to Labor Day weekend. When I started playing softball at MAAD, I remembered it was on Labor Day weekend in 1978 at Omaha! I hope we will stick to Labor Day weekend from now on to bring back more teams and fans.

For this Labor Day weekend, we’ll have 6 COED teams and 4 Men teams participating. I’m thrilled to see Men’s teams back since 2014 at Brookings, SD.

A huge word of ‘Thanks’ to Tina Spallo, Superintendent of Jackson County Recreation, for allowing us to use their beautiful Frank White Jr Softball complex for our annual MAAD softball tournament!

**Reports of Past Presidents:**

**Jack Cooper:** Really to be excited to see new officers- new blood, Let’s see about hosting on Labor Weekend- and could consider Monday as a rain date if necessary!

**Wayne Morse:** I really enjoyed 2019 Basketball in Faribault! Everything went smooth and got to finish early which was a rare! For the meetings at MAAD, I didn’t enjoy that so much because very nitpicking on words especially with the audiograms, motions being passed too fast. Ended with that everyone makes mistakes and should forgive people for their mistakes, we are all human. Suggested that we all think before talk and think about the right thing! This is probably my last trip due to my health and have been attending for over 50 years! A little left in my tank to make commitments to continue to MAAD.

**Reports of Standing Committees:**

**Hall of Fame Committee – Tami Richardson-Nelson:**
Welcome to the 61st Annual Men’s, 38th Annual Women’s and 21st Annual Coed’s tournament. It is wonderful to be back during Labor Day weekend and given the fact that we secured enough Men to have their tournament along with the continuation of the Coed teams. I hope for all to have fun, good team sportsmanship, along with socializing time. It’s always fun to win, but most importantly is to play fair, enjoy meeting new people and being a part of what MAAD has long stood for. MAAD is a very strong region and it is because of people like you who love to play sports.

The work of the database of the Hall of Fame is still in progress. The committee is looking for one new member to serve. We hope to fill that position very soon. I hope each and everyone of you have a blast this weekend.

**Budget Committee – Marti Herman -**
Would like to add budget guidelines - and want to delete liability insurance for USADB because we haven’t paid them since. We only pay when MAAD hosts

**Law Committee – Vice President Amy Thompson -**
Law committee and I are still working on this and we do find lot more loopholes but we felt that there are several motions that are too important to address at this softball delegate then we’ll continue

Report of Tournament Chairs:

2019 MAAD Softball Chairperson – Mack Weyers

It’s my very first experience as chairperson and these are pretty overwhelmed but successful. Why? Because of our team board of MAAD are doing a great teamwork, planning, work out their duties, we actually work together and made this happened. Without them, this would not have been successful. Thank you all MAAD board!

MAAD Board and I would like to extend our thanks to the following people: Coed and Men teams that have registered, fans, family and especially to Frank White Sport Complex, Tina Spallo and Umpire in Chief – Kurt Morrison who have filled in for the umpires for us!! We really do appreciate it!

Unfinished Business –

BDBB2019-03:

I, Traci Ivins (OAD) move that General Tournament Rules and Regulations Section 1, A, 1 be changed to read: An audiogram (official hearing test report, performed by a state-certified or state-licensed audiologist or audiometrist) showing a hearing loss of 55 decibels (db) or greater in the worse ear to be eligible for MAAD tournaments.

A. Proof of being Deaf, or in specific sports, proof of being a CODA (Child of Deaf Adults), be submitted to the Tournament Director before or during the Players Council Meeting, in one of the following forms:

1. an audiogram (official hearing test report, performed and signed by a state-certified or state-licensed audiologist or audiometrist) showing a hearing loss of 55 decibels (db) or greater in both the worse ear; A softball player shall have a hearing loss of 55 db or greater in the worse ear to be eligible according to National Softball Association of the Deaf Rules & Regulations.

2. transcripts (which may be in the form of report cards, diplomas or other state recognized documents) from a recognized residential or mainstreamed school with deaf students;

3. proof of participation, including year and sport played, as a player in any World Championship for the Deaf or Deaflympics, or

4. Obtain proof of CODA only a birth certificate showing the name of a deaf parent and proof of the parent’s deafness through any of the other proof listed in this section (Softball only).

DAAD Seconded.

Amend #1: MP moved to remove the ‘worse ear’. Greg seconded.

1. an audiogram (official hearing test report, performed by a state-certified or state-licensed audiologist or audiometrist) showing a hearing loss of 55 decibels (db) or greater in both ears; A softball player shall have a hearing loss of 55 db or greater in the worse ear to be eligible according to National Softball Association of the Deaf Rules & Regulations.

Law Committee:

1. an audiogram (official hearing test report, performed by a state-certified or state-licensed audiologist or audiometrist) showing a hearing loss of 55 decibels (db) or greater in both ears; A softball player shall have a hearing loss of 55 db or greater in the worse ear to be eligible according to National Softball Association of the Deaf Rules & Regulations.
2. transcripts (which may be in the form of report cards, diplomas or other state recognized documents) from a recognized residential or mainstreamed school with deaf students;

In USADB’s RR:
Section 3.02: Player Eligibility Rules
(a) Players representing a team shall be deaf or hard of hearing.
(b) Players shall have an unaided hearing loss of 55db or greater in the better ear. A recent (two or less
years old) certified audiogram shall be provided no later than March 1st upon request. (Note: there's nothing about copy of diploma, etc from school for the deaf).

In NSAD’s RR:
3.1 A player shall have a hearing loss of 55 db or greater in the **better** ear to be eligible, failure to meet requirements can be reviewed case by case with Executive Board. This rule is still subject to deliberation, therefore, not “fully implemented” or “subject to interpretation’. (Passed 2018)
3.1.1 NSAD Executive Board is authorized to require any player to retake audiology test at the tournament site at the expense of NSAD.
3.2 Players shall have attended a school for the deaf, whether residential or day, oral or combined, shall give their regional secretary a copy of diploma, certificate, or any identified school document as well as audiogram for verification of attendance or graduation. Players who have attended a regular or mainstreaming school are required to submit an old or new audiogram to NSAD secretary.
In both USADB and NSAD's RR shows nothing about needing the audiogram to be **signed** and also shows 'better' ear. Both bylaws/RR does not say 'audiologist or audiometrist' but can leave these alone. USADB only accepts audiogram while NSAD accepts audiogram and HS diploma.

(Do MAAD still wants to follow NSAD’s RR even when MAAD not affiliated?)

**Recommendation (1):** Use 'better' instead of 'worse' or 'both'.
**Recommendation (2):** A recent (two or less years old) audiogram to be add.
**Recommendation (3):** Remove transcripts as USADB do not accept them

SECTION 1: QUALIFICATIONS OF PLAYERS – Any player who wishes to play in a competition or tournament of the MAAD must satisfy the following requirements:

I, GSLAD, move that MAAD set a firm deadlines of 2 weeks for all audiograms, diplomas, any player changes before all MAAD tournament to help make things smoother & easier for the Hall of Fame & the Tournament Director. It would also help the board too!

OAD move to Referred to Law Committee

Law Committee:
General Tournament Rules and Regulations under Section 1.
Recommendation (1): Change "Failure to do so shall be ineligible to participate in the tournament" to:
Section 1.1 New player is required to submit the document (audiogram or transcript) two weeks prior to the tournament date. Failure to do so shall be ineligible to participate in the tournament (or the player will have to pay twenty dollars ($20) fee if submitted on or after the date of two weeks prior to the tournament.)

Recommendation (2): 'any player changes' does not apply because have statement "Any late signers/additional players will be assessed $30.00 fee with proof of audiograms/diplomas prior to the Players Council Meeting."

**Rationale:** CODA do not need to get audiogram so put CODA separate to make it clear of what CODA need to obtain proof. MAAD hasn't practice in getting proof of membership in bona fide of MAAD Club Member (that's Club Member's responsible to make sure players are member of their club - not MAAD's responsible). And how it work for proof of membership of an Independent Team?
